

From Sermon Zech.XLVI

Zechariah 14:6-8

*If His Beauty can restore creation, How much more could He do for His people!
Therefore, this week I will strive to... Share His Beauty in humility and thankfulness.*

Know this:

- The work of God the Holy Spirit in you (sanctification) should be making easier for you to set aside your cultural preferences, for God's glory and the benefit of others.
- Because of He is faithfully at work in you, then, you are more than ready to see Him at work through you.
- To share His Beauty means to encourage and support others to get closer to Jesus Christ
- You can encourage others by:
 - Being a good listener
 - Finding a place where your stories intersect
 - Sharing how God helped you in that particular case

Do this:

/* You will need this: [] At least 30 minutes of uninterrupted time. [] Your journal (optional) */

- Read 2 Cor. 13:5-14
- Pray that the God of Scripture may allow you to be aware of His work in you.
- Pray that He may deepen your tender love and care for others.
- Pray that He may bring to mind a specific person who you could encourage, this week.
