

From Sermon Zech.XLVI

Zechariah 14:6-8

*If His Beauty can restore creation, How much more could He do for His people!
Therefore, this week I will strive to... Share His Beauty in humility and thankfulness.*

Know this:

- Our desire to share His Beauty should come from what He has done for us, and not from a expected response from those we want to encourage.
- Share in humility because what we have to give – His Beauty – is not from you.
- Share in thankfulness because it is Him who allows you to be part of His work of redemption.

Do this:

/* You will need this: [] Two blocks of 30 uninterrupted minutes each */

- Read and meditate on Galatians 6
- In prayer check the motives of your heart.
- Repent, confess and celebrate accordingly.
- In prayer, ask Him to allow you to boast in Christ and His cross alone.
- Share His Beauty! Write a note of encouragement for the person He brought to mind on Tuesday.
